*Date of Installation*

The Remodeling Group Inc. & Window Depot USA will warranty all pieces, parts, and materials associated with the installation of your new door project for as long as you own your home.

This warranty also includes a life of the home warranty on labor and workmanship associated with the installation of your new door(s).

There is no proration or declining coverage.

There will be no service charges, trip charges, or shipping costs associated with warranty claims or service parts required for any future repairs.

This warranty is completely transferable to a subsequent owner of the property with advance written notice of change of ownership.

This warranty only excludes acts of nature, vandalism, abuse, fire and civil unrest, which are covered under homeowner's insurance.
